

About our Day Camps

Camp Glisson has been offering quality camp ministry programming at its location just north of Dahlonega for 85 years. In the Summer of '08 Glisson developed the Day Camp program to make the same quality camping experience available to even more youth--in this case, children in the Johns Creek area. Our hope is that this program will be a traveling version of the fun and growth campers have experienced at our Dahlonega site for decades now.

The Day Camp ministry is a partnership with Johns Creek United Methodist church that connects Glisson's wealth of camping experience with a fellowship of Christian people who know your community. Our experienced camp staff, trained day camp counselors, and American Camp Association-accredited program offer new and exciting possibilities for personal and spiritual growth. In addition to the directors and counselors provided by Camp Glisson, Day

Studies show fewer and fewer of our kids have meaningful opportunities to experience God's

Camp will be supported by volunteer members of the Johns Creek UMC congregation.

Day Camp:

experiencing the life-changing love of God

Campers will be placed in small groups led by trained counselors for their week at day camp. These groups will plan their own

activities that will include crafts, group games, nature

exploration, challenge course, and many more! Older campers may try their hands at archery and belayed tree climbing (pending availability). Our daily schedule will include singing, worship, and devotion

time. The week will include a day trip to Camp Glisson in Dahlonega to go on a creek hike and swim in Camp's new pool!

The Johns Creek UMC Day Camp is for children who are in 1st through 6th grades this ('09-'10) school year. For more information about the Johns Creek UMC Day Camp, call Mary Gene Lee at (770) 497-8215.

Who's running this show ?

Three LIT's with their Day Campers

Glisson Day Camps are run primarily by participants in our Leader-In-Training (LIT) program. LIT's are trained by experienced Glisson staff (LIT directors) and accompanied by veteran camp counselors. As part of the Glisson Leadership Program, being an LIT is the first step to becoming a Glisson counselor. The LIT program is divided into two parts. The first week is spent training to be an effective leader and camp counselor. In the second week, the LIT's put all their training to work when they run a week-long Day Camp at a local church. Each LIT participant has had to apply, interview, and be accepted by the program. The 2009 LIT-led Day Camps allowed Camp Glisson to serve more campers in more places, while also offering our future staff a chance to show their leadership ability. We look forward to even better experiences in Summer 2010!
