

**HORSEBACK Permission Form
(For Frontier Campers):**

All horseback riding Frontier campers will spend the week living at the Outpost, located on the property of Glisson Camp and Retreat Center. Campers will be cooking their own meals, building fires, learning to use an axe and saw, and other outdoor skills. Some campers may participate in our low or high elements course lead by Glisson Staff. They will participate in an overnight trail ride in which they will camp with their horses at a designated campsite on Glisson's property. No transportation will be required as the groups will hike across Glisson's property to the Foundation Farms Equestrian Center, located on adjoining property. All equipment required for the excursion, other than personal equipment, will be provided by Camp Glisson and Foundation Farms Equestrian Center. Campers will be in their adventure group with at least two staff members, of whom, one or both are Wilderness First Aid certified. At all times, the group is no more than 30 minutes from professional medical care. Glisson provides adequate group gear and supplies for each trip yet, campers are subject to extremes in weather at all times. All trips are subject to change at the discretion of the Glisson Outpost staff due to dangerous conditions, weather, or emergencies. Campers will be held responsible for their own behavior while participating in Glisson's Frontier Camp. Understanding these situations, I hereby give my permission for my child _____ to participate in this trip, sponsored and supervised by Glisson Camp and Retreat Center.
