Executive Summary

- Domestic Violence is a real, if often hidden, problem in society and the Church
- The goal of this project is to provide information on domestic violence that every pastor should know:
 - Resource for ministers to identifying abuse
 - Provides information on World and Church views on domestic violence
 - Scripture
 - Resources available to help guide in pastoral care

UMC Pastors Survey

■ Survey Scope:

- Survey emailed to 3 districts in the North Georgia UMC Conference (+/- 250 pastors)
- 37 pastors responded
- 8 yes/no questions
 - 18 pastors answered all 8 questions
- Note: Survey should not be viewed as statistically representative data

UMC Pastors Survey

1. Have you had a domestic violence case in the last two years?
2. Have you ever had a domestic violence situation in your years of ministry?
3. Have you received any domestic violence training?
4. Are you aware of resources available to domestic violence victims and their families?
5. Do you have contact information for local domestic violence shelters?
6. Are you aware of transitional housing?
7. Do you have legal contact information?
8. Do you feel a handbook on domestic violence resources would be of value to you?

Related Scripture

- God does not condone domestic violence:
 - Matthew 5:22
 - 1 Thessalonians 4:3-6
 - 1 Corinthians 3:16-17
 - God hears the cry of the suffering:
 - Psalms 10:17-18
 - Reacting to violence:
 - Misinterpretation of Matthew 5:39
 - Against the law to hit someone with the back of the hand
 - Turning the cheek required someone to use the back of their hand to slap their face
 - Jesus teaches us to resist violence, not to allow abuse
- 

Clergy Training

- Critical Success Factors:
 - Overcome denial and resistance to the issue of domestic violence
 - Behavioral change

Clergy Training

- Learning Objectives:
 - Name symptoms of domestic violence
 - Deliver a sermon on domestic violence
 - Support to victims
 - Provide safety to victims & refer to shelters if needed
